

Franklin County Engineer authorized to use his own forces during 2009, for maintenance and repair projects involving County roads and bridges within limits established by the Ohio Revised Code (Engineer)

WHEREAS, the Franklin County Engineer, at the direction of the Board of County Commissioners of Franklin County, Ohio, is responsible for maintaining and keeping in good repair the Franklin County roads; and

WHEREAS, the Ohio Revised Code recognized the reasonable necessity of using the force account for the normal maintenance and repair of County roads and bridges, and has established maximum cost estimates of Thirty Thousand dollars, (\$30,000.00) per mile for roads and One Hundred Thousand dollars, (\$100,000.00) for bridges and culverts; and

WHEREAS, Franklin County Engineer Dean C. Ringle, has requested authorization to proceed in the normal maintenance and repair of Franklin County roads and bridges during the calendar year 2009 with the County Force Account;

BE IT RESOLVED, BY THE BOARD OF COUNTY COMMISSIONERS OF FRANKLIN COUNTY, OHIO:

Section 1) That Franklin County Engineer Dean C. Ringle, is hereby authorized to use the force account for the normal maintenance and repair of Franklin County roads, bridges and culverts, as set forth in the Ohio Revised Code, and at costs not to exceed Thirty Thousand dollars, (\$30,000.00), per mile for roads and One Hundred Thousand dollars, (\$100,000.00) per bridge project.
